1. RULES AND CONDITIONS OF ENTRY

1.1. The event will be governed by the Racing Rules of Sailing, the prescriptions of the RYA, the rules of the classes racing (which prevail over these sailing instructions where they conflict) and these sailing instructions. These sailing instructions may be changed or added to by Supplementary Instructions issued to competitors or posted on the Club Notice Board. When these are issued before the first race of the event flag L will not be displayed.

1.2. Entrants and authorised guests are temporary members of Helford River Sailing Club during the period of the event and shall comply with Club Rules and Bylaws. Failure to observe these rules may result in the imposition of penalties, including disqualification from the event.

1.3. The Race Committee may inspect, weigh or measure any boat, sails, gear, or clothing at any time.

1.4. **INSURANCE** - Each participating boat shall be insured with third-party liability insurance with a minimum cover of £3 million.

1.5. **SAIL NUMBERS** or identifying mark on the entry form must tally with that on the sail used on the day.

1.6. **CREWS** – The helm for single-handed and helm and crew for double or more handed boats must be those on the entry form. Whilst crew & helm may swap, any such changes must be notified in writing to the Race Committee.

1.7. **DISCLAIMER OF RESPONSIBILITY** - Competitors participate in the regatta entirely at their own risk. See RRS4, Decision to Race. The organizing authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the regatta.

Competitors are entirely responsible for their own safety, whether afloat or ashore, and nothing reduces this responsibility. It is for competitors to decide whether their boat and its helm and crew are fit to sail in the conditions that they might find. By launching or going to sea competitors confirm their boat is fit for those conditions and that they are competent to sail and compete in them. Nothing done by the organizers can reduce the responsibility of the owners and/or competitors, nor will it make the organizers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of the boat taking part in the racing. The organizers encompass everyone helping to run the event and include the organizing authority, race committee, race officer, safety officer, safety boat personnel and beach masters. The provision of safety boats does not relieve owners and competitors of their responsibilities.

2. NOTICES TO COMPETITORS

2.1. Notices to competitors will be posted on the Event Notice Board.

3. CHANGES TO SAILING INSTRUCTIONS

3.1. Any change to the sailing instructions will be posted not less than one hour before the start of any race affected.

 4.2. When flag AP is displayed ashore, or on a Committee Boat at the jetty (with two sound signals) '1 minute' is replaced with 'not less than 30 minutes' in the race signal "AP".

The competitor may continue to race. This amends RRS 41.
