### ***FACILITIES***

The Clubhouse is situated on the attractive Helford River on the edge of Helford village. Members using the Clubhouse will be met with a warm welcome from our Club Stewards. A varied bar and restaurant menu is available and the bar is stocked with a large selection of alcoholic and non-alcoholic beverages. For those requiring them we have laundry facilities comprising washing machine and tumble dryer. We also have shower rooms for those who would like to refresh themselves after a day's sailing. The Club offers various events and lessons for those who wish to become more involved in the sailing activities of the Club.

### ***DINGHIES***

The Club has its own dinghy fleet which comprises Wayfarers, Toppers, Fevas and Optimists, all of which are available for use during Club dinghy evenings which are currently Tuesday and Thursday evenings. However the Club dinghies are only available when there is a Safety Boat in attendance and with the approval of Captain Dinghies.

### ***KEELBOATS***

The Club offers a full and varied programme of sailing races and events during the season which all Members are invited to join in.

### ***LESSONS***

These are available to our junior Members on a Friday evening and to adult Members on a Tuesday evening throughout the summer. All lessons are supervised by volunteer Members who act as instructors.

The Club is now a recognised RYA training centre for under 16's. Other RYA courses including Power Boat Levels 1 & 2, VHF Radio and First Aid are run when numbers permit.

### ***DINGHY PARK, PONTOON & DINGHY RACK***

The Club has these facilities available. However, membership of the Club does not give any Member automatic right to the use of any of these facilities. We run a waiting list system, which is strictly adhered to. We cannot therefore guarantee any Member a space as the waiting lists and average waiting time for certain facilities are very long. Fees for these facilities are not included in the membership fee and are payable before any vessel is placed on the property.

### ***CLUB CAR PARK***

We are fortunate to be able to offer Members a private car park for their use. However, at certain times during the year, it becomes somewhat congested. On these occasions it is necessary for Members to use the adjacent public car park for which there is a small pay and display charge. We also have many social evenings and various events held throughout the year. We hope that this brief outline gives you the information you require. Please find attached a membership application form. If you have any further queries please contact our Club Administrator.
