Minutes of Last Meeting

Commodore

Mark Buckley invited the Committee to discuss the merits of the possible courses of action regarding the appointment of new stewards. Following an introduction by Heather Ibotson outlining the difficulties experienced in recruiting and retaining reliable staff this summer, the Committee discussed the situation at length. The following motion was formulated and put to a vote 'John Lake will approach an agency on Tuesday 6th September to explore the possibility of the provision of temporary staff for short term cover, and that the Club will advertise for stewards in the most relevant media publications. The remuneration package to be offered will be discussed at a management meeting on Monday 12th September and put before the Committee as soon as possible'. This was passed unanimously. The Commodore reported that a stocktake would take place on Monday 12th September.
