### Facilities

The Clubhouse is situated on the attractive Helford River on the edge of Helford village. Members using the Clubhouse will be met with a warm welcome from our HRSC Team. A varied bar and restaurant menu is available, and the bar is stocked with a large selection of alcoholic and non-alcoholic beverages. For those requiring them we have laundry facilities comprising washing machine and tumble dryer. We also have shower rooms for those who would like to refresh themselves after a day's sailing.

### Dinghies

The Club has its own dinghy fleet which includes Wayfarers, RS Fevas, RS Visions, Fusions, Lasers, Picos and Optibats. These are available for Club dinghy sessions which are held on Tuesday evenings (adults) and Friday evenings (juniors). Club dinghies are also available for Dinghy Racing on Thursdays and Sundays to Members who have been approved by Captain Adult Sailing, Captain Dinghies or Rear Commodore Sailing. Wayfarers are available at all other times to Members with the above approval via our WhatsApp group. Strict booking out and safety rules must be adhered to. All adults using club dinghies are required to pay an extra annual fee of £25.

### Keelboats

Keelboat racing takes place on Wednesday evenings during the season. Members are invited to join in and crew in participating boats. The annual L'Aberwrach race takes place in June.

### Junior Sailing Lessons

We run a series of sailing lessons every Friday evening from May to September to juniors aged 8-16. We invite applications at the beginning of each year and run a waiting list due to the popularity of the sessions. Please contact our Captain of Juniors if your child is interested in signing up.

### RYA Courses

The Club is a recognised RYA training centre. RYA Sailing Course are available to juniors. Other RYA courses including Power Boat Levels 1 & 2 and First Aid are run when numbers permit.

### Adult Sailing

Adult sailing sessions are available to Members on Tuesday evenings and occasionally on Saturdays throughout the summer. Newcomers to sailing are teamed with experienced helms who share basic boat handling skills in one of the club Wayfarer dinghies.

### Pontoon, Dinghy Park, Dinghy, Kayak, Paddleboard & Canoe Rack

We want to make sure everyone has a fair chance to enjoy our facilities, so we operate a waiting list system that we strictly follow. So please be aware that we cannot always guarantee to accommodate everyone. In particular there is presently a long waiting list for finger berths. There are separate fees for all these facilities, which are not included in the membership fee. These fees need to be paid before any vessel can be placed on the property.

### Club Car Park

We are fortunate to be able to offer Members a private car park for their use. Please display your car park sticker. At certain times during the year the club car park becomes somewhat congested. On these occasions it is necessary for Members to use the adjacent public car park for which there is a small charge.
