Adam Mason - Virtuoso Performance

A steady westerly breeze delivering minimal chop suited Adam's Solo perfectly Saturday. By the time Brooks had reached the Narrows, Adam's sail was the size of a butterfly's wing as he prepared for a Gybe to Toll. The beat on the port tack from Toll to Trebah was a delight – smooth and swift and the reach to Voose almost planeing. Starting 12 minutes after Adam, Phil Philpott, caught up with the Laser on the beat from Committee to Trebah. A recently evangelised Carrie Hoskins had the RS400's Spinnaker singing and yet remained a minute or so distant from the Solo's fine voice by race end.

Results: Adam Mason 1, Phil Philpott 2, Stephen Brooks 3
